District Swimming Carnival

~ Friday, 26 February 2015.

The Term Planner that was sent home during the second week of this term did not indicate the date for the District Swimming Carnival. This has now been confirmed. The date of The Hawkesbury District Swimming Carnival is:

**Friday, 26 February.**

To assist, a new Planner has been attached to this Newsletter with the District Swimming Carnival added.

Canteen Helpers Needed!!

Richmond Public School’s Hunger Buster Canteen is open each Monday, Wednesday and Friday. However, it appears that we have had minimal response to our volunteer request. Mr Bowers (Brad) is our Canteen Convenor and has been volunteering in the canteen for over a year. He works tirelessly in the canteen ensuring we meet all health requirements but more importantly he provides for our students (your children) a variety of food types to meet their needs. Brad has no children of his own at Richmond Public School and is regularly working in the canteen on his own but still carries on regardless.

The school’s canteen is in need of volunteers. It may be in only the morning session or even a lunchtime period, particularly on a Friday.

If you are able to assist, please call Brad Bowers (0415 359 162) or Kellie Lorschy (P&C President – 0437 140 972). Thank you

Working with Children Check

It has been legislated that from 2016 all unsupervised volunteers, be it sporting, reading helpers, fundraising helpers, canteen workers and the like MUST have a Working with Children Check. The initial Working with Children Check can be accessed at;

Once this check is completed online, volunteers will need to submit relevant paperwork to the Roads and Maritime Service (RMS) in order to be issued a WWC number. As a volunteer, there is **no cost** involved in gaining this WWC number. This number must be given to the school office in order for volunteers to begin service in our school. We understand that this process takes a little time to complete, however the safety of our students is imperative to all concerned.

Transport Volunteers – Gala Days, Chess........

Under the working with Children Check Guidelines, unsupervised volunteers MUST have a WWCC. This means that if you would like to assist with transport to Gala Day, Carnivals, Debating, Chess and the like, you must have a WWCC. The WWCC has a 5 year timeframe and has no cost.
**Teachers for 2016**

Class structures for 2016 have been finalised. Our last enrolment data indicates that the school has 347 students. This then results in the school having 14 classes.

The class list is as follows:

<table>
<thead>
<tr>

**Richmond Public School ~ Swimming Carnival / Ball Games Carnival 2016**

Congratulations to our 74 students who competed at our Swimming Carnival held on Tuesday, 16 February 2016. This year it was again decided to have competitors only at the carnival with a Ball Games Carnival happening at school. Both groups of students, those at the swimming pool and those at school, were still able to gain points for their Sport Houses by participating.

The Swimming Carnival was extremely successful and the students were very well behaved. It was great to watch the students cheer on their Sport House teammates and their friends as they powered down the pool.

Good luck to our District Swimming Competitors at the District Swimming Carnival on Friday, 26 February.

The Ball Games Carnival was a first for Richmond Public School with students competing in games such as Tunnel Ball, Captain Ball, Dodge Ball and Newcombe Ball. The students were also fantastic with their behaviour; earning points for their Sport House.

Thank you to Miss Deal and Miss Bailey for organising the Swimming Carnival and to Mrs Miller, Miss Bray and Mrs Proskien for organising the Ball Games Carnival.

(There will be photos of the Swimming Carnival in our next Newsletter)

**Meet the Teacher Evening**

Thank you to our family members who attended our ‘Meet The Teacher Evening’ on Wednesday, 10 February 2016. The night was separated into two sessions to allow for parents/caregivers to at least be able to attend two classes and presentations. From all reports, it was a very valuable event and well received by our families.

A big thank you to our wonderful staff who organised for their presentations and to the staff who organised for child minding to occur in the library during the Meet the Teacher sessions.

Thank you.

**Thank you VIEW Club**

Thank you to The VIEW Club who recently delivered to the school a very large amount of stationery for our students. The items ranged from pencil sharpeners to pencils to lunchboxes. These items were disseminated throughout the classes for all to use and share. It has assisted in giving our students an even better start to the 2016 school year.

Thank you VIEW Club!
Mobile Phones ~ 2016

With our many new families and students coming to our school from around the area, it is important that students and parents / caregivers are aware of the policy regarding mobile phones at Richmond Public School.

The policy states:

“**All students bringing mobile phones to school are to have them off and out of sight by 8:40am. At 3:10pm, students are permitted to turn their mobile phones back on. Any phone that is seen, heard or used between the hours of 8:40am and 3:10pm will be confiscated and handed to the Principal / Executive teacher in charge. Collection of the confiscated phone must be made by the parent/carer. Parents wishing to contact their children during the day are to call the school.”**

Signs have been placed in classrooms reminding students of this policy.

There are many reasons for the policy, primarily the school does not accept responsibility for any phone brought into the school grounds, in addition to the fact that there is a need for us to understand that technology is moving very quickly, especially for our younger students.

Scooters / Bikes and Helmets

Thank you to all the students who ride a scooter or bike to school wearing their helmets. It is a rule at Richmond Public School that if you ride a scooter or bike to school that you must also wear a helmet. On many days I watch the students leaving the school walking their bikes through the school playground with their helmet. The students know that without a helmet, the scooter or bike cannot be ridden home.

Great work Richmond Public School.

Richmond Public School App’ – An Improvement to Android Users!

In 2015, Richmond Public School initiated its own app’ titled Skoolbag. There are instructions further into this Newsletter in getting the app onto your phone. Both the Play Store and the Apple Store have the free app’. The app’ has many options for you to access including Alerts, Events, the school’s website, the fortnightly Newsletter, absentee forms and much more. In addition, the school is now able to notify families through their phones if an excursion is late or early. On the app’, you are able to turn on notifications for the grades your child/ren are in, thus ensuring you don’t receive notifications unnecessarily.

On Wednesday 10 February, I was informed that the Android devices have improved in the use of the Skoolbag App’. To initiate these improvements you will need to update the app’ or for best results, delete the app’ and reload it into your device. As stated earlier, there are instructions further into this Newsletter in getting the app’ on your device.

I encourage all families to explore this great initiative.

**SENTRAL**

The school’s new student tracking system titled, SENTRAL is now up and running with the staff marking the roll each day using the system. This now enables the office staff to electronically place a student on the system who arrives late to school or who leaves early. This information is sent directly to the teacher through the SENTRAL system and will indicate the early/late aspect for the student on the roll.

This limits any problems with recording attendance. SENTRAL has many aspects including student profiling, detentions, Touchdowns and family construction.

I will keep the community informed as we increase the usage of SENTRAL.
Work in the School

Work around the school continued over the Christmas period with the school having handrails installed in the main building and $5000 worth of tree pruning and clearing complete. In addition, there are a number of areas around the school being cordoned off for student safety. One is the area near the gym equipment that has ‘sunk’ and now has caused trip zones. This area has been concreted as a temporary fix until the job is quoted and approved by The Department of Education.

Our Gym Equipment

In 2015, our Stage 2 classes decided on the new colours for our fading gym equipment. It now looks bright and inviting to our students and their toddler brothers and sisters. While the staff use the gym equipment during the school day as part of their sport program or as a break between lessons, I ask that you do not allow your children to use the equipment after school hours, particularly at the end of the day at 3:10pm as you and your child/children are leaving the school grounds. There are signs on the poles stating that the equipment can only be used under staff supervision and there are many safety and child protection issues surrounding this request.

Thank you.

Parent / Teacher Interviews - Reminder

It is believed at Richmond Public School that parents need to be informed of their child’s progress early in the year. Therefore Parent / Teacher Interviews are to be held in Term 1 from Tuesday, 29 March through to Wednesday, 6 April. This is also a chance for the teachers to discuss specific programs the student may be working on and how best this work can be consolidated at home. It may also give the parents / carers an opportunity to discuss any concerns they may have in regards to their child’s progress and well-being.

Families will be given a choice of available times, they are then assigned a time to meet the teacher.

I ask that you keep the week (second last week and last week of term) as free as possible so that you may be able to attend the Parent/Teacher Interviews.

A note will be sent home further into the term outlining times that your child’s teacher is available and asking you to list your preferred options.

School Uniform - Reminder

Thank you to the many parents who have sent their child/children to school in our beautiful school uniform. The uniform policy was established by the school and the school community and is discussed on a regular basis at our P&C meetings.

Just a few reminders regarding uniform:

1. Necklaces are not to be worn;
2. Studs or sleepers are permissible in your child’s ear. Any earrings that dangle are not permitted;
3. Rub on tattoos are not permitted as this is not part of the school’s uniform;
4. Nail polish is not permitted. Clear gloss is acceptable;
5. Any lipstick or eye shadow is also against the school’s uniform policy; and
6. Any long hair should be securely tied back (or in ponytails). This is not only for safety but minimises the risk of nits.

The policy was established for the safety of your child apart from the fact that Richmond Public School is not a place to set fashion trends. I thank you for following these simple guidelines.

Mathematics Quiz Competition - Reminder

At the top of this Newsletter there is a grid outlining a mathematical concept that is being quizzed within classes. This is again continued on from 2015 as staff and parents/caregivers have indicated that their students/children are more confident with mathematics due to the Mathematics Computation Quizzes.

Classes each day will focus on the fortnightly concept and at the end of the fortnight each student will be assessed and the class will
calculate an average. During the Monday morning assembly, trophies are handed out for the best class result and the most improved result. I ask that you quiz your child during the fortnight to ensure their greatest success. Thank you.

**Richmond Public School – Nut Free.**

Reminder

With the prevalence of anaphylaxis within schools, I would like to remind families that Richmond Public School makes every attempt to be a nut free school. I kindly request that parents / carers do not send their children to school with peanut butter sandwiches, with peanuts or with any nut related item. Our school canteen is very careful with this policy and makes every attempt to purchase items that were not processed on a machine that was used to make a peanut product.

I thank you in advance for you co-operation with this very important policy.

**Money Collecting ~ 2016 - Reminder**

Richmond Public School has continued its registration for the Westpac Parent On-Line Payment System. The site is a secure site and it enables families to pay for excursions / incursions, voluntary contributions or any other necessary school payments at home using their home computer. To access the new Parent On-Line Payment System, families will need to go to the school's website.

On the home page there is a tab on the right that states, ‘Payment On-Line’. By clicking this button you will be presented with a screen that asks for the student’s full name and date of birth. It will then ask for your e-mail address which will allow for the system to e-mail you a receipt for your payment. It will then require you to indicate what type of card, the number on the card, expiry date and the Card Verification Number (CVC) on the back of the card. It will then ask for you to indicate why you are making the payment eg: Stage 3 Art Gallery Excursion. You then submit the details and a receipt will be e-mailed to you. If a payment is made before 6pm, your payment will be on the next day’s school statement, if it is made after 6pm, the school will be notified two days later.

Cut-off dates at Richmond Public School will still apply. All school notes that are sent home requesting a payment will have a section on the note asking if you had paid on-line and requesting the receipt number. Further instruction on how to make an on-line payment is also on the school's website under Notes and Forms.

Just a reminder to our new families, Richmond Public School also provides EFTPOS facilities for making payments. Money days at Richmond Public school are Monday, Wednesday and Friday, these are the only days we can take over the counter EFTPOS payments and these need to be done in the morning by 10am.

I hope that this may make systems easier for families and will alleviate some students taking large amount of money to school.

**Hints for Home**

**Friendships to Boost Your Child’s Learning**

If children are happy socially they tend to be more engaged in their learning. So teaching your child about the importance of making friends is as vital as learning their ABCs.

Find out more:

**Helping your Kindy Kid Succeed at School**

A great way to kick off your child's formal education is to understand the school culture and what your child is doing in the classroom.

Find out more:

**Gary Ruzgas**

Principal
Camp Recounts from 5D

On Thursday 4th February, 27 of the students in the OC class went to a teamwork building camp in Yarramundi. It was called Lutanda. Miss Deal came and Mr Ruzgas joined us on the first night.

On Thursday, we went on the low ropes course. I was partners with Aiden and Stephanie. For lunch we had chicken burgers or beef burgers. We then went on the Flying Fox. I was scared. The tower was higher than it had looked from the ground. For dinner we had beef and vegetables.

On Friday, we did initiatives. We played some games. We threw the ball to each other, but we had to do it in the order that we had first set. We then played skipping with the big rope. After that, we did some orienteering and had a treasure hunt. I went with Reid, Jasper and Josh. We were the first group done. We then went back to the village green area and I got picked up soon after. I love going on camps!

-Lily J (5D)

On Thursday 4th of February, my class (5D) went to an OC Camp at Lutanda, Yarramundi. We started off our first day by walking a low ropes course. It was really fun because you kept falling off and there were spotters to try and stop you falling onto the ground. The second thing we did was the Flying Fox. I did not go on the Flying Fox because I get nervous with heights. Then we went swimming, which was really fun because we played with a tennis ball. We played a game where the boys had to throw to the boys and the girls had to throw to the girls. The boys had it for a while, but then the girls had the ball for a while and it kept changing possession.

Late that night, our principal told us stories which were funny. He asked us these questions that made you think really hard. The people in my cabin were Noah and Zac. At the other end were Lachlan, Rylan, Jasper and Zeph. I was first to sleep but we woke up at 5:30am.

After a morning walk on the second day, we did some initiatives activities. The initiatives were really fun because we got to play, ‘Run, Scream, Shout’. We also got to play, ‘Fishies’ and I was 1 of 3 people who didn’t get tagged.

After lunch, we went Orienteering. My group found everything, answered all the riddles, found all the words in the find-a-word and finished the crossword.

The camp was really fun because we got to do lots of activities. I didn’t want to leave.

- Logan W (5D)

At Camp Lutanda, Yarramundi, our class 5D had a two day stay on Thursday, 4th February to Friday, 5th February.

On Thursday, 5D arrived at Camp Lutanda at 10am. We went into the cabins and unpacked. We then used team trusting skills to stay balanced on the wire. After that, we played a game called, ‘Run, Scream, Shout’, which was really fun. Then we had lunch which was burgers and potato jewels. We then went to the Flying Fox, where we cheered on everyone as they went across. After that, we went swimming. That night, before we went to sleep, Mr Ruzgas told us some cool stories after dinner.

The next day, we had breakfast which was eggs, bacon, toast, cereal, hashbrowns and cheese. To start off the day, before we had breakfast, Mr Ruzgas took most of us on a bushwalk. There we saw a black kangaroo. Then we played lots of team games. After that, we did some Orienteering which was awesome.

In conclusion, 5D had a great time at Camp Lutanda and I wish we were still there!

- Sophia M (5D)
Feeding Families Friday

Last year, our Student Representative Council (SRC) developed the idea of Feeding Families Friday. This initiative was designed to assist the local charity, Hawkesbury Helping Hands, to provide much-needed food for struggling families in the Hawkesbury area. Richmond Public School is now ready to be involved by collecting food to assist those in our community who need support. This means that each week (on a Friday), students are encouraged to bring in non-perishable items which can be donated to this cause. Suitable items include (but are not limited to) tinned fruit, soup, packets of dried pasta, biscuits, long-life milk, spreads and pickled vegetables. Presently, students are asked to bring their donations to the office where a basket has been placed (see picture below). There have been discussions regarding a competition between classes where items will be counted and a tally kept. However, this has not yet been confirmed as we believe that giving is the most important aspect of this drive. Thank you for your generous support and we look forward to contributing towards the important work of the Hawkesbury Helping Hands organisation.

Miss Bray.

Green Team News

The Green Team would like to thank two families for helping us with the chickens. Thank you to Ellyce (6L) and her family for taking great care of the chickens over the last holiday period. We would also like to thank Zakk in 1/2C and his family, for donating chicken food to our school.

We really appreciate your help.

If you are interested in looking after the chickens during the next holidays, please let Miss Spiteri (KS) know. Thank you.
This week we had our first P&C general meeting of the year.

It was great to see so many continuing members and new members, it is encouraging to see many of us from different parts of the school coming together to help contribute in supporting the school.

From the fundraising achieved last year, we were able to hand over $10,000 to the school to contribute towards the WiFi that was installed in late 2015.

Most of the meeting was discussing the structure of the P&C and the meetings, including the various jobs that require covering so we can function as a team where “many hands make light work.”

P&C meetings are on Mondays 7-8pm (sharp), Week 4 and Week 8 of each term. The next meeting is Monday 14th March. All are invited to attend and join as a member. Child minding is provided if required.

If you would like to provide any feedback, comments, suggestions or be able to put something on the P&C meeting agenda, please contact richmondpspandc@gmail.com. A major need.....

Lastly, our school canteen is P&C run. It is totally run by volunteers. We would like to keep our canteen running. At the moment we have 6 volunteers when there are 7 full day shifts per week to cover (when opening 3 days per week). This is not sustainable. If you can help out for a couple of hours, half a day or full day, please contact the P&C through the above email, or leave your details at the office and we will be in touch.

Looking forward to a successful year,

Kellie Lorschy
P&C President

Richmond Reminders

- **Stage 3 Great Aussie Bush Camp**
  
  Permission notes and the first instalment are due on Friday, 4 March. You won’t want to miss this camp!

- **Year 6 2016 Polo Shirts** are now available to order. Please return the note with shirt size and payment to the office by Wednesday, 2 March.

- **Year 1 and 2 Home Reading Program**
  
  Notes have gone home to all Stage 1 students. Please remember to return the permission note and payment to the office at your earliest convenience.

- **Parent/Carer Information Session**
  
  **Mathematics – Focussing on Number.**
  
  This session will be held on Tuesday, 23 February at 6pm and a second session will be held on Thursday, 25 February at 2:15pm. Both sessions cover the same content. Please let the office know through the note that was sent out on Thursday, 18 February which session you would like to attend to obtain helpful strategies to assist your child in mathematics.

**Mathematics Problem Solving**

**Early Stage 1**

Mr Shirvington has 2 apples. Mrs Greene has 3 apples. How many apples do the teachers have altogether?

**Stage 1**

Lisa made 10 muffins for the cake sale. Trevor made 6 muffins. They sold 9 muffins. How many muffins were left?

**Stage 2**

Terri works for $7.50 an hour. She works 5 hours on Monday, 3 hours on Wednesday and 2 hours on Saturday. How much will she earn for her work?

**Stage 3**

Assuming there are 40 weeks in a school year, your bus trip to and from school takes 30 minutes each way. How much time do you spend on the bus in one year?
How To Install Skoolbag On Your Smartphone

**iPhone & iPad Users**
1. Click the "App Store" icon on your Apple device.
2. Type your school name in the search, using suburb name will help.
3. If iPhone, you will see your school appear, click "Free" then "install".
4. If iPad, change the drop list to "iPhone Apps"; your school will then be visible, click "Free" then "install".
5. When installed click "Open"
6. Select "OK" to receive push notifications, when asked.
7. Click the "More" button on the bottom right of the App, then "Setup".
8. Toggle on the Push Categories that are applicable for you.

**Android Users**
You must first have signed up with a Google Account before installing the app.
1. Click the "Play Store" button on your Android Device
2. Click the magnifying glass icon at the top and type in your school name, using suburb name will help.
3. Click the school name when it appears in the search.
4. Click the "Install" button.
5. Click "Accept" for various permissions (please note, we do not modify any of your personal data on your device).
6. Click "Open" when installed.
7. Click the "More" button on the bottom right of the App, then "Setup".
8. Toggle on the Push Categories that are applicable for you.
